Designer: Victoria Cheung

Notes:
- Title on front, I like it maybe add some spacing between characters
    - Play with capital letters?
    - Can you include this font throughout website to keep things consistent looking
- translucent background is great!
    - Border radius to make it more playful if its going to be floating?
    - I like font of mockup, find something similar
- Nav bar
    - Change hover color it something that matches more
